The following are the definitions for the Performance Fact Sheet:

" " means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

" " is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

" " is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

" " is the number of on-time graduates divided by the number of students available for graduation.

" " is the number of students who completed the program within 150% of the program length (includes on-time graduates).

" " is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

" " means the number of graduates minus the number of graduates unavailable for employment.
